| 2.  | Assessment of knowledge, attitude and practice towards relationship between periodontal and systemic diseases among medical and postgraduate students of Davangere city, Karnataka – A cross sectional survey.                                  | Dr. BharathkanthN.           | Mangalore   | 2014 |
| 3.  | Assessment of effect of cuspal angulation and reduced superstructure on the stress levels surrounding the bone of an implant splinted with an endodontically treated tooth – A finite element study.  | Dr. Priyadarshini            | Mangalore   | 2014 |
| 4.  | An Appraisal of unique meloxicam mucoadhesive films in periodontal post-surgical pain control.  | Dr. Raja Rajeswari           | Mangalore   | 2014 |
| 5.  | The influence of implant diameter on the stress distribution of osseointegrated implants in graded osteoporotic and normal bone densities: A three dimensional finite element analysis.   | Dr. Subani Bedi              | Mangalore   | 2014 |
| 6.  | Determination of antibacterial activity of royal jelly (RJ) against four periodontopathic bacteria like Aggregatibacter actinomycetemcomitans, Porphyromonas gingivalis, Prevotella intermedia and Fusobacterium nucleatum – An in-vitro study. | Dr. Dale Coutinho            | Mangalore   | 2014 |
| 7.  | Knowledge, Attitude and awareness among the dental students in Davangere regarding medical management of dental patients in clinical dental practice-A cross-sectional survey.  | Dr. Lavanya Pragada          | Mangalore   | 2014 |
| 8.  | Knowledge, attitude and practice towards the microbiological risk of dental unit water line system, among dental private practitioners of Davangere.  | Dr. Sapnil Gaidhankar        | Mangalore   | 2014 |
| 9.  | Inhibition of biofilm formation by GIC with Chlorhexidine versus GIC with propolis.   | Dr. Ipsita Narayan           | Mangalore   | 2014 |
| 10. | Novel approach to augment the attached gingiva using allograft - A Case report.   | Dr. Kanchan Arya             | Mangalore   | 2014 |
| 11. | Titanium implants: Inert or initiator of inflammation-An exfoliative cytology based study.  | Dr. P. Shree Lakshmi Deepika | Mangalore   | 2014 |
| 12. | Perception and opinion among students pursuing dentistry regarding their career choice and future opportunities-a cross-sectional survey.   | Dr. Preetham Pulluri         | Mangalore   | 2014 |
| 13. | Dental care in a hemophiliac patient: a case report   | Dr. Khyati Chandra           | Bhubaneswar | 2016 |
| 14. | A case report on treatment of horizontal bone defects using bone lamina technique   | Dr. Shilpy Bhandari          | Bhubaneswar | 2016 |
| 15. | Assessment of oral health and general health related quality of life before and after implant therapy.  | Dr. Neeharika Shree          | Manali      | 2017 |

|     |   |                          |          |      |
|-----|---|--------------------------|----------|------|
| 16. | Titanium mess assisted GTR  | Dr. Khyati Chandra       | Manali   | 2017 |
| 17. | Initial presentation of adenocarcinoma as a metastatic lesion in the gingiva a rare case report.  | Dr. Rishi Raj            | Manali   | 2017 |
| 18. | Brahmi a potential needle in the hay stack for the management of chronic periodontitis.   | Dr. Sonu Suresh          | Manali   | 2017 |
| 19. | Tulasi nanoparticle: a novel local drug delivery system.  | Dr. Amulya               | Manali   | 2017 |
| 20. | Minimally invasive sinus augmentation using PRF infusion graft.   | Dr. Sai Divya Gayatri    | Dubai    | 2017 |
| 21. | Multi layered advanced - platelet rich fibrin (a- prf) reinforced vestibular incision subperiosteal tunnel access (vista) technique in the management of gingival recession – a case series | Dr. satish               | Chennai  | 2018 |
| 22. | Surpass Periodontal Regenerative Impediment in Chronic Hepatitis : A Novel Approach   | Dr. Amulya               | Chennai  | 2018 |
| 23. | Treatment of periodontal intrabony defect with a-prf block  | Dr. Deepa                | Chennai  | 2018 |
| 24. | Applicability of sticky bone and prf membrane in the management of bone defect: a case report of 2 years follow up.   | Dr. Tanya                | Chennai  | 2018 |
| 25. | A novel approach for immediate ridge augmentation by using extracted tooth root of periodontally hopeless tooth as a block graft: A pilot study   | Dr. Shejali              | Chennai  | 2018 |
| 26. | Brahmi Extract loaded periodontal chip – A state of the art Perioceutic- An Invitro study   | Dr. Sartaz Rahman        | Chennai  | 2018 |
| 27. | Laser assisted comprehensive pocket therapy in the treatment of Aggressive periodontitis  | Dr. Susan Zachariah      | Chennai  | 2018 |
| 28. | Refashioning free gingival graft : Game changers in esthetic zone   | Dr. Shivani Bhagat       | Chennai  | 2018 |
| 29. | Determination of antibacterial activity of Costus Pictus extract on periodontal pathogens   | Dr. Kapa Bhargavi Preeti | Chennai  | 2018 |
| 30. | An approach of recession coverage in a trans-positioned canine: a novel case report.  | Dr. Apoorva B Badiger    | Chennai  | 2018 |
| 31. | Health Crisis   | Dr. Vinayaka             | Thailand | 2018 |
| 32. | Comparative Evaluation of Gluteraldehydecrosslinked and uncrosslinked membranes – A de novo invitro trial.  | Dr. Sartaz               | Jaipur   | 2019 |
| 33. | Bioactivation of dental implants with i-prf-a randomised clinical trial   | Dr.Susan                 | Jaipur   | 2019 |
| 34. | An ecologic tribute flaxseed ( <i>LinumUsitatissimum</i> ) on periodontal pathogens- an invitrostudy.   | Dr.Apoorva               | Jaipur   | 2019 |
| 35. | Actinidiadeliciosa(kiwi fruit) extract:antibacterial activity against periodontopathogenic bacteria   | Dr.Bhargavi              | Jaipur   | 2019 |
| 36. | Effect of i-PRF on differentiation, proliferationand mineralization of MG 63 osteoblastic cell line : An in-vitro study   | Dr. Shivani              | Jaipur   | 2019 |

|     |  |                        |  |      |
