Respected Sir

+  
Wonderful Team

The entire team of Nakshatra Early School for Tumbler, Davanagere, render a heartfelt thanks to the team of Dentists who visited our preschool and provided the screening to our little ones. We were greatly surprised to witness their loving gesture towards our school kids and the most creative of showing them the importance of oral health through Puppet Show.  
Special thanks to Dr. Ghazala for her knowledge and loving attitude in handling our toddlers and guiding the team.

Thank You.
